

# **THE SHOW RULES & REGULATIONS**

## ADVANCE TICKETS

**Advance Tickets** are available upon request until August 12th. Please contact [carolyn@prvca.org](mailto:carolyn@prvca.org) or call 888-303-2887 or visit [largestRVshow.com](http://largestRVshow.com) to purchase tickets.

## ANIMAL POLICY

Service animals are welcome at America's Largest RV Show. The Americans with Disabilities Act (ADA) 2010 Regulations define a service animal as "any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purposes of this definition. In compliance with the provisions of the ADA that address miniature horses, the PRVCA will modify its policies to permit miniature horses where reasonable. C.F.R., Section 13.104 and section 36.104 (2010).

## BADGE IDENTIFICATION

All badge requests are handled through KleerTech, an online service allowing you to request and edit badge names online as well as register for any education event. An email will be sent to all exhibitors with step-by-step instructions. All badges will be printed at the show by either scanning a barcode emailed to you or simply typing your name into the kiosks at registration.

### Exhibitors

Exhibitors must wear I.D. badges, as **NO ONE IS ALLOWED IN THE GIANT CENTER OR IN THE OUTSIDE DISPLAY AREA WITHOUT AN AMERICA'S LARGEST RV SHOW BADGE. America's Largest RV Show badges determine entry time through security check-points.** Badges feature a watermark indicating the current show year. An email with badge request instructions will be sent to show contacts.

**Exhibiting companies may print their badges at the Registration Tent on Sunday, September 11 through Sunday, September 18.** While a company representative may pick up all badges, we recommend each person pick up their own badge to avoid the loss/misplacement of any badges.

**Duplicate Badges** There will be a \$5 charge for any badges that need to be reprinted due to being misplaced or forgotten. This policy was implemented to maintain security by discouraging misuse of exhibitor credentials to secure free entry into the show and exhibitor parking.

### Non-Exhibitors

Manufacturers, suppliers, lenders, transport, and insurance company representatives who are not exhibiting in the show and desire attendance during Industry Day will be required to pay \$50 per person. Exhibitors are prohibited from allowing a non-exhibiting company to display or demonstrate in their exhibit. Non-Exhibitors are prohibited from soliciting on GIANT Center property. Please report any offense to the show office.

## CANCELLATION POLICY

Exhibitor cancellations must be submitted, in writing, via email or USPS, to the attention of [Daniel Jusko](mailto:Daniel.Jusko). In order to receive a refund, all cancellation requests must follow the refund schedule as outlined below.

All final payments for Exhibitor Booth space are due by July 22nd. Any assigned booth space(s) not paid in full will be in Breach of Exhibitor Agreement and considered forfeited and will be reassigned at PRVCA's discretion. Eligibility for a refund will remain as dictated by the following schedule:

**20% Deposit/Early Bird Deposit due with the show application to hold requested space**

- 20% Deposit/Early Bird Deposit is non-refundable.
- If any exhibitor withdraws after submitting the 20%, but prior to the 50% deposit deadline, they do not get a refund on the 20% deposit even if the space is resold.
- If they paid in full, they may receive 80% back if the space is resold.

**50% Deposit Due 90 days prior to Labor Day**

- If an exhibitor withdraws after the 50% deposit deadline, but before the total balance is due, the 50% is not refunded.
- If they paid in full, they may receive 50% back if the space is resold.

**100% Balance due 45 days prior to Labor Day**

- If an exhibitor withdraws once the 100% balance is due, they do not get a refund of any deposits.

**What happens if an exhibitor withdraws after a deposit deadline but hasn't paid the amount due?**

- If they want to exhibit the following year, they will need to pay the amount owed before they can exhibit again, or they will be placed on the waiting list of potential exhibitors.

**Extenuating Circumstance**

If someone has a special circumstance (death, injury, etc.), the refund request must be submitted in writing, via email or USPS, to the attention of [Daniel Jusko](#) describing the special circumstance. It will be addressed by the Show Committee at their next meeting (typically in December) to determine the outcome of the request.

**CARPETING**

**Carpet** is available through Hershey Expo, Inc. [Click here for the outside carpeting order form](#). Carpet IS NOT included in space rental.

IMPORTANT NOTICE: VILLAGE/OUTSIDE EXHIBITORS ARE NOT PERMITTED TO COVER DRAIN OPENINGS WITH CARPET. **ADDITIONALLY, CARPET MAY NOT EXTEND PAST DISPLAY BOUNDARIES INCLUDING AISLE WAYS.** Please note that aisle ways in your display **MUST** be at least 6 feet wide (step to step) so that emergency vehicles can access your display.

**CHARACTER OF EXHIBITS**

Please recognize the rights of other exhibitors. The total show appearance takes precedence of individual exhibits. Assigned space is subject to change, if Show Management feels the move is in the best interest of the show.

**Adhesive backed items** – NO stickers or adhesive backed items will be distributed under any circumstances.

**Alterations, improvements, and attachments of any kind to the freehold (property), without the prior written approval of the GIANT Center are prohibited.**

No screws into the asphalt. To protect the asphalt, hitches and jacks must be supported by wooden blocks at all times. The GIANT Center monitors all activity via security cameras. Any display with screws, spikes, nails, hitches, etc. found protruding into the asphalt will result in the **exhibitor being fined \$500 per unit and/or damages assessed by the GIANT Center.**

**Aisles** – Aisle ways in exhibitor displays must be at least 6 feet wide, from front of step to front of step, so that emergency vehicles can access your display.

An exception is made when a canopy is supported at the corners by support no larger than the size of exhibit tubular frame, if the area between 3' and 7' height allows an unobstructed view of neighbors. Exhibits exceeding 3' front measurement must allow a 4' open area on each side of the display to allow ample line-of-sight for adjoining booths. An exception is made for a side falling on a corner or wall. Exhibits over 10' rear height must provide a backdrop to conceal display from the adjacent displays.

**Literature and Novelties – Distribution of literature and novelty items is limited to the confines of your contracted exhibit space.** No materials are to be handed out or placed in information, registration, public or lobby areas. Exhibitors are not permitted to infringe upon show aisles or the exhibit space of others. Samples of novelty items must be submitted to Show Management for approval.

**Raffles, drawings and contests** – NO exhibitor will be permitted to operate a lottery, game of chance, or in any way conduct a drawing of names or numbers for the purpose of awarding a prize or the giveaway of free merchandise without a license to do so by the Commonwealth of Pennsylvania &/or Dauphin County if required. Contact Janis Creason at the Dauphin County Treasurer's Office, 717/780-6550 for more details or visit [https://www.dauphincounty.org/government/publicly\\_elected\\_officials/treasurer/small\\_games\\_of\\_chance\\_license.php](https://www.dauphincounty.org/government/publicly_elected_officials/treasurer/small_games_of_chance_license.php)

**Signs** – All exhibitors shall, at every entrance to each of exhibitor's display(s), place a sign with lettering at least two inches high and two inches wide, listing exhibitor's name, city and state. Industry exhibitors may feature a uniform lettered display board on an easel in front of RVs with facts the manufacturer deems of interest to attendees. Exhibitors may also display Retail FOB factory price less accessories. No sign, poster or literature will reveal wholesale prices. Retail exhibitors must have a retail sign (12" x 12") with the size, make and retail price. Neon dealer type signs are permitted. Signs must be at least 3' from the aisles, not to exceed 8' in height. CSA exhibitors must have a sign which clearly states the CSA units are not for sale. Manufacturer exhibitors without dealer representation may post a sign indicating the location of their retail outlet(s) or dealer(s).

**Sound** – Exhibitors should take reasonable precautions to minimize the noise level of their exhibits. Show Management will exercise control over objectionable noise. The playing of radios, CDs, Mp3s, use of microphones or other audio/visual devices as part of the show is not approved. Exhibitors using music in their booth, either live or mechanical, must provide PRVCA with a copy of the Exhibitors Licensing Agreement with ASCAP, BMI or other such licensing organizations. Further, should Exhibitor play music, Exhibitor agrees to indemnify and hold PRVCA harmless from any action brought against PRVCA by ASCAP, BMI, or other such licensing organizations for the playing of such music.

## EXHIBITOR SPONSORED FUNCTIONS

In providing for a quality Show and the certainty that all Exhibitors are focused on the needs of the entire industry, the Association must make and impose certain obligations upon all exhibitors. Exhibitor-sponsored functions within a fifty-mile radius of the show, including but not limited to seminars, shows, exhibitions, off-premises sales, rallies and meetings (with or without meals), are prohibited during all regularly scheduled hours of the show which include hours scheduled for staging, set up, industry and retail sales and/or tear-down.

Exhibitor-sponsored functions are permitted at the show, when such functions are scheduled to end no later than the opening of the show and / or are approved in writing, in advance, by Show Management at its sole discretion. Exhibitors who wish to hold a function at the Show facility must obtain prior approval from Show Management. When a function held on-site requires additional registration, security or other show service/personnel, the cost for additional services will be borne by the exhibitor. On-site,

before or after-hour exhibitor functions are only considered prior to industry day or public days. Distribution of alcohol is not permitted during or after show hours.

Exhibitors agree not to sponsor said functions or conduct any activities that would cause RV dealers, parts and accessory store owners, warehouse distributors and/or contractors to leave the show during regularly scheduled hours except as provided herein. Any breach of obligation under "EXHIBITOR SPONSORED FUNCTIONS" will result in suspension of privileges for one year.

Exhibitors shall indemnify, defend and hold harmless PRVCA, its subsidiaries or affiliates under its control, their directors, officers, employees and agents, against any and all losses, liabilities, judgments, awards and costs (including legal fees and expenses) arising out of or related to any claim that the exhibitor's participation in or actions at the PRVCA trade/consumer show, infringes or violates the patent, copyright trademark or any rights of a third party. We shall defend and settle at our sole expense all suits or proceedings arising out of the foregoing.

**INSURANCE**

Due to exhibitor requests, Comprehensive General Liability Insurance will be included with your display for a \$74 fee. The coverage, through RainProtection, will include \$1,000,000 minimum protection and PRVCA will be listed as additionally insured in relation to show

participation. Coverage will begin during setup and end at teardown. You do not need to contact your insurance company as you will receive a certificate from RainProtection insurance. Not only will this save you time and frustration for providing the correct insurance information, but if there is a claim, it will no longer affect your primary insurance premiums.

**With deposit, proof of Automobile Insurance** is also required for any company or personal vehicle on the Hershey property. If a rental vehicle is used, a statement to that fact will satisfy this requirement.

## INTERNET ACCESS

**Wired Internet** – Wired Internet services are available inside and outside the Giant Center at a cost. For wired Internet service, exhibitors must fill out the [Telephone & Internet Line Order Form](#) and send to Hershey IT Department in advance. Based on the order forms, Hershey IT Dept. staff will pre-run the lines to general exhibitor locations. In order to get service to an exhibitor’s exact location and activated in a timely manner, it is crucial that exhibitors include an onsite contact name, cell phone #, and exact start date/time of when service is needed on the order form. Each Internet line, as provided, will support a single device. Exhibitors are responsible for providing their own network equipment such as switches /routers if they wish to connect multiple devices to an Internet line. The Internet lines are behind a NAT router, but are completely open, with no firewalls / port filters. The Internet lines provide private IP addressing via DHCP. A limited number of static Public IP addresses are available upon request at additional cost.

**Wireless Internet** - The Giant Center has free, open Wi-Fi available both inside the building and in parts of the outdoor areas. \*Please note, the Giant Center Wi-Fi is offered as is, with no guarantee of service, reliability, or usability. The Giant Center recommends those who need internet for their business, to purchase a wired connection to ensure non-interrupted service.

## LAWS of PA SHOWS

**OUT-OF-STATE DEALER PARTICIPATION** - An RV dealer licensed in another state may participate in a vehicle show or exhibit which has, when it opens to the public, at least a total of 50 dealers from both PA and outside PA manning RV manufacturer displays, if the show or exhibit is trade-oriented and is predominantly funded by RV manufacturers. When the show has less than a total of 50 recreational vehicle dealers, a minimum of ten recreational vehicle dealers at the show are licensed in PA and more than 50% of the participating dealers must be licensed in PA. Participating dealers who are not from a state licensed by PA, must be from a state contiguous to PA which permits PA-licensed RV dealers to participate in vehicle shows in that state under conditions substantially equivalent to the conditions which are imposed upon dealers from that state who participate in RV shows in PA and are duly licensed and authorized by their state of residence to sell RVs. The states of Delaware, New York and West Virginia comply. RV dealers are permitted to consummate final sales contracts at Sunday shows in PA.

An out-of-state recreational vehicle dealer may not participate in a recreational vehicle show unless the out-of-state dealer satisfies at least four of the listed activities at its facility in the contiguous state in which it is licensed or domiciled that does not require licensure:

- 1) Accepting delivery of new recreational vehicles from the recreational vehicle dealer’s

manufacturer for which the dealer possesses an agreement with the manufacturer to sell its recreational vehicles.

- 2) Maintaining inventory and offering recreation vehicles for sale to the public.
- 3) Consummating and finalizing recreational vehicle sales.
- 4) Servicing or repairing recreational vehicles.
- 5) Delivering recreation vehicles to purchasers with RV titling, registrations issued and taxes collected and paid to the dealer's appropriate home state agencies.

**OFF SITE DELIVERY FOLLOWING SHOW** - The Vehicle Licensing Board recognizes that on occasion, situations will occur near the close of the show, where there is not ample time to complete all of the paperwork required to finalize the deal and deliver the vehicle. This is due to the time constraints of the show lease and the fact that dealers are under a deadline to evacuate their space at the show. Thus, there may be situations where contracts are not finalized or where they are finalized but delivery could not be accomplished on time. Completion of the sale is permitted if no new contracts are initiated. Only administrative or ministerial matters that are related to a sale may be completed after the show. In no event shall they be initiated after the show because anything that is initiated after the show obviously is not under the show's purview or umbrella of permission to engage in activity at other than licensed location.

**MAXIMUM LENGTH AND WIDTH** - 45 feet for motor homes is the maximum length and 102 inches is the maximum width allowing for 6-inch appendages.

## LICENSING & REGISTRATION

### **Manufacturer, Manufacturer Representative, PA Dealer and PA**

**Salespersons** – PA requires all vehicle manufacturers/manufacturer representatives doing business in PA to be licensed. PA dealers/salespersons must be licensed. For questions, contact the State Board of Vehicle Manufacturers, Dealers and Salespersons at 717-783-1697 or email [ra-st-vehicle@pa.gov](mailto:ra-st-vehicle@pa.gov).

PRVCA suggests reading the Board of Vehicle Act, Act 84 of 1983 amended through Act 90 of 2014 by going to [www.dos.state.pa.us/vehicle](http://www.dos.state.pa.us/vehicle) and, in the search box, type "Law Board of Vehicles Act".

**Campground Membership Salesperson** – PA law requires campground membership salespersons to be licensed by the PA State Real Estate Commission. Some states provide for reciprocity between states. Visit <http://www.dos.pa.gov/professionallicensing/Pages/default.aspx>. Type "Campground Membership Salesperson" in the search bar to apply for an initial license. Visit <http://www.dos.pa.gov/ProfessionalLicensing/BoardsCommissions/RealEstateCommission/>

[Pages/Renewal-Forms.aspx](#) to renew your license. For questions, contact the State Real Estate Commission at 717-783-3658 or email [ra-realestate@pa.gov](mailto:ra-realestate@pa.gov).

**Transient Vendor License** – PRVCA is licensed with the PA Department of Revenue as a Licensed Show Promoter. Revenue requires PRVCA to maintain a listing of

1. Vendors selling taxable goods and
2. Exhibitors who display their products or services.

Revenue requires PRVCA to collect PA Sales & Use Tax numbers from those exhibitors selling and to supply transient vendors, who sell and have not registered an application. All transient vendors, who sell in Pennsylvania shows, are required to hold a Transient Vendor PA Sales and Use Tax License. The Transient Vendor License (from PA-100) is available at <http://www.pa100.state.pa.us> by going to Online Business Registration.

A transient Vendor Certificate is required for any non-Pennsylvania enterprise whose business structure is a sole proprietorship or a partnership that does not have a permanent, physical business location in Pennsylvania and is selling taxable, tangible personal property or performs taxable services in Pennsylvania. Review the [REV-717, Retailers Information Guide](#) for details on taxable goods and services.

**PA Sales and Tax Use Form.** Each exhibitor must completed a PA Sales and Tax Use Form [Click here for the PA Sales & Use Tax form](#). If you are not sure if you are selling taxable goods, visit <https://revenue-pa.custhelp.com/> for commonly asked questions and answers. If you cannot find the answer to your question, you can submit specific questions via the website. Transient vendors will receive follow up reporting forms from the Department of Revenue via e-mail or USPS.

EIN's or Social Security numbers are required to be submitted to PRVCA if you are a sole proprietorship and claim that you do not need to have a Transient Vendor Certificate or a Sales Tax License. If you can provide a Sales Tax License Number or Transient Vendor number, then you do not need to submit an EIN or Social Security number.

All **Retail Sales Tax Licenses** are to be renewed no less than every **5 years**. In addition, licenses will not be renewed if there are any outstanding taxes or returns due for any state tax. This review includes all state taxes, including taxes due to the Department of Labor and Industry.

## **SECURITY**

**Loss or Theft** – The facility provides a measure of protection, such as perimeter security. However, exhibitors are responsible for protecting their products and displays from the time they leave the plant until they return. Exhibits should be insured. In case of theft, report the occurrence to PRVCA immediately. An Incident Report for your insurance company is supplied by the facility security. Exhibitors should lock all units when leaving the display. Exhibitors should cover products remaining in a booth overnight. Culprits can't tell where the most tempting items are and covering makes it harder to remove items.

Do not store excess supplies and merchandise under tables. PRVCA has a secured area for your portable equipment. Take items to be secured to the Show Office (each night) with a list of items to be stored, company name and signature.

**Exhibit Release Passes** - required during show hours, not applicable during move out. Stay with products while they are being crated and give a bill of lading to the general contractor. The bill of lading then goes to the trucking company.
